STUDY TOUR

Programme Coordinator: Dr. Anish Mathew

Class: BA Economics VIth Semester

Place: Alappuzha, Vagamon & Ramakkalmedu.

No. of students participated: 44

Total number of days: 3

Accompanying Teachers: Dr. Anish Mathew, Febin Muhammed

The tour organized by Department of Economics, Ambedkar College Wandoor for the 6th- semester BA Economics students took place from January 6th to January 8th, 2022. The objective was to provide students with practical exposure to economic activities and cultural aspects of the visited areas, namely Alappuzha, Vagamon, and Ramakkalmedu.

EXCURSION

Programme Coordinator: Febin Muhammed

Class: MA Development Economics 4th Semester
Place: Vagamon, Idukki
No of the Students Participated: 7
Total Number of Days: 3 Days
Staff Accompanied: Febin Muhammed & VipinT

The study tour was organized by the Department of Economics, Ambedkar College Wandoor for 4th Semester MA Development Economics students. The tour took place from March 29th to March 31st, 2022. Over the course of three days, the students explored the economic dynamics and cultural richness of Idukki and Vagamon, aiming to deepen their understanding of regional economies and societal structures. They also engaging interactions with local stakeholders provided valuable insights into regional economies and development challenges are the major achievements of the trip. The tour contributed to the students' academic and personal growth, reinforcing the importance of experiential learning in the field of economics.

FIELDTRIP

Programme Coordinator: Dr. Pramod KM

Class: BA Economics, 4th Semester

Place: Wayanad

No. of students participated: 15

Total number of days: One

Staff accompanied: Dr. Pramod KM, Saritha P, Neethu M, Murfad TP & Munavir Ali

In association with Social Science Club and Department of History (Complementary Course) Department of Economics conducted a field trip for second-year students of BA Economics to Wayanad on 30/03/2022. 42 students were participated in the field trip, and also four faculty members accompanied. The educational trip to Wayanad proved to be a valuable learning experience for the 4th Semester BA Economics students. It successfully combined academic enrichment with practical exposure, contributing to the holistic development of the students and enriching their understanding of economics in a real-world context. The Trip provided with a holistic understanding of the socio- economic, cultural, and environmental dynamics of the Wayanad district. By integrating classroom learning with real-world experiences, the tour facilitated deeper learning, critical reflection, and interdisciplinary connections, preparing students for future academic pursuits and professional endeavors in the field of economics
