FACULTY FEEDBACK ANALYSIS REPORT
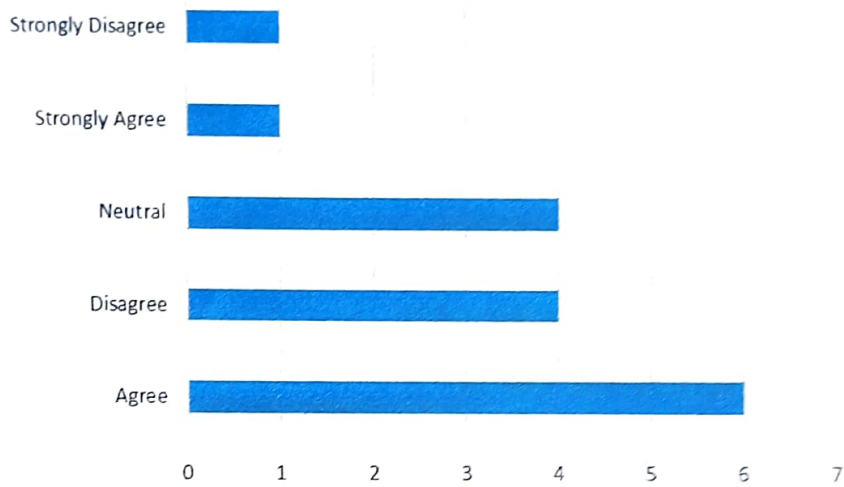

EVEN SEMESTER, ACADEMIC YEAR 2023-24

1. Introduction

This report analyzes faculty feedback regarding academic initiatives and resources at the institute, focusing on areas such as study materials, syllabus relevance, and library resources.

2. Feedback Overview

The feedback was categorized based on respondents' perceptions of various academic aspects. Below are the key themes identified from the responses.

2.1 Feedback Categories

- Study Materials
- Syllabus Revisions
- Library Resources
- Digital Materials
- Collaborative Programs

3. Key Findings

3.1 Study Materials

- **Strongly Agree:** 36%
- **Agree:** 44%
- **Neutral:** 10%
- **Disagree:** 5%
- **Strongly Disagree:** 5%

3.2 Syllabus Revisions

- **Strongly Agree**: 30%
- **Agree**: 50%
- **Neutral**: 10%
- **Disagree**: 5%
- **Strongly Disagree**: 5%

3.3 Library Resources

- **Strongly Agree**: 28%
- **Agree**: 50%
- **Neutral**: 15%
- **Disagree**: 5%
- **Strongly Disagree**: 2%

3.4 Digital Materials

- **Strongly Agree**: 25%
- **Agree**: 55%
- **Neutral**: 10%
- **Disagree**: 5%
- **Strongly Disagree**: 5%

3.5 Collaborative Programs

- **Strongly Agree**: 20%
- **Agree**: 40%
- **Neutral**: 25%
- **Disagree**: 10%
- **Strongly Disagree**: 5%

5. Summary of Strengths

- A majority of respondents feel positively about the sufficiency of study materials and the need for syllabus revisions.
- There is strong agreement on the necessity for improved library resources and digital materials.

6. Areas for Improvement

- Address the concerns raised about the availability of academic-oriented textbooks and the inclusion of more digital resources in the library.
- Increase opportunities for collaborative programs and intercollegiate seminars.

7. Recommendations

Date

PRINCIPAL
AMBEDKAR COLLEGE OF ARTS &
WANDOOR,MALAPPURAM.DT

- **Increase Study Materials**: Ensure that study materials are regularly updated and expanded based on student needs.

- **Syllabus Review**: Conduct a comprehensive review of the syllabus to align with current trends and digital media.

- **Library Enhancements**: Increase the number of reference books and digital materials in the library to support student learning.

8. Conclusion

The feedback indicates a strong desire for improvement in several areas of academic resources and initiatives. By addressing these concerns, the institute can enhance the overall educational experience for students.
